A Message from Julie Graves

Dear Friends,

Thank you all for your friendship and support over the years. Tom and I truly appreciate each of you. As we set into the year 2019, new challenges lie ahead as Tom prepares to be our conservative, Christian voice in Washington, DC.

To encourage and surprise Tom on his upcoming 40th birthday, I would like to invite you to be a part of a special birthday event.

To have some fun at this birthday milestone, and in combination with his new venture, join others in sending him a special wish and gift to his campaign for Congress.

Thanks again, and I look forward to seeing you at the parties!

Julie
