

We need a Congressman with a PROVEN Record of RUNNING A BUSINESS.

The Lee Hawkins Business Model

Lee has owned the same reliable business for 32 years. He is a dentist who owns his own practice.

He's always paid his bills, always paid his employees.

After reliably caring for thousands of patients for three decades, Lee has never been sued.

Respect of Peers: Lee was elected by his peers as the State President of the Georgia Dental Association – the organization's top elected position.

The Tom Graves Business Model

1. Despite the fact that a Court has ordered Graves' business to pay its bills, he won't do it.

A judgement was awarded last August against Graves' firm, Tich Hospitality. But Graves won't pay what he owes. He's too busy building a political career.

2. The State of Georgia has even forcibly dissolved multiple Graves' businesses for non-compliance/non-payment.

Urban Underdevelopment Org. Dissolved July 3, 2001
Southern Vision Landscape Co. Dissolved May 16, 2008
Tomahawk Ventures Inc. non-compliance/non-payment
(source: Georgia Secretary of State www.sos.state.ga.us)

3. Graves' business is currently being sued for another \$250,000 for not its paying bills.

If Tom Graves doesn't manage his own business, how would he handle yours?

Lee Hawkins. Reliable. **HAWKINS**
